WIFE IS SWEET!

Dear *Mayfair*,

I'd always heard that once you get married, your sex life goes down the pan. I actually found the opposite: My wife Kristen has always been on the wild side in bed, but once I put that ring on her finger a year ago she upped the anti, totally surprising me.

I know every man thinks their wife is hot but Kristen is on another level – she has the kind of body you usually only see on a porn star and wears as few clothes as she can get away with to show it off. Many husbands would get jealous but not me,

**I SAW KRISTEN'S
HEAD MOVING
FURIOUSLY
BETWEEN
RACHEL'S LEGS...**

I feel proud to have her on my arm and whenever she gets eyed up when we're out (most of the time), I just feel lucky that I'm the guy who gets to take her home and shag her!

I thought I knew all there was to know about Kristen when we got wed – we'd been together for two years before that – but a week into our marital bliss, she confided in me that she's bisexual. I was gobsmacked, but I didn't mind in the least, in fact the thought of seeing my fit missus getting it on with another woman really turned me on!

After her confession, I expected Kristen to bring up the subject again with a view to inviting a bird to join us, but nothing was said. I figured that she was happy with things the way they were and put it to the back of my mind.

About six months later, I was just finishing up at work when Kristen rang to say that her friend from America was coming to stay for the weekend, and she wanted me to pick up some things from the supermarket on the way home. I was a bit annoyed as I stopped to buy some wine and nibbles, but as Kristen rarely had mates over I tried to stop feeling

PENNY FOR THIS GUY

Dear *Mayfair*,

I would like to thanks the delectable Penny Lee for glamour modeling among the pages of *Mayfair* – she's quickly become another girl jotted down in my notebook of all-time favourites (I'll have to get a new one soon – it's filling up fast!). The picture on the top left of page 48 of 51.01 is an absolute corker – what a pose, what a position in those stockings and suspender belt! What I wouldn't give to be underneath those legs taking those awesome pictures! Hats off to BB Media, who seem to be getting better and better every month!

Meanwhile, I seriously can't wait to get my hands on 51.02 when it comes on sale with its spread of Chloe. In fact I can see myself buying two copies, 'cos some of these pictures are definitely going up on my wall! Valentine's Day is coming, and if there are any single guys out there, I'm sure Chloe will put a big smile on their faces! Please, I'm imploring you to feature more of Chloe this year – and that's before I've even seen a set of her! Graham, Cornwall.

quite so disgruntled.

When I arrived home I was surprised

to hear girlish laughter coming from the kitchen – I wasn't expecting our guest to have already arrived. As Kristen introduced me to Rachel, I couldn't help but notice that she was stunning, nor that she had whopping big tits! Grabbing a beer from the fridge, I made small talk with them both until Kristen told me to go and chill out as they were cooking dinner, which I took to mean they wanted to gossip without a man being around!

After sitting in front of the TV for a good half an hour, I started to wonder what time we were due to eat, so wandered back into the kitchen. I was surprised that the room empty and so headed upstairs to find Kristen. As I reached the landing, I could hear muffled sounds coming from our bedroom and, finding the door partly open, I stood in the darkened hall peering into the softly lit room.

My eyes widened as I saw Kristen's blonde head moving furiously between Rachel's legs. They were both naked on the bed, Rachel's pert boobs thrust upwards as she moaned and bucked beneath the attention of my wife's probing tongue.

I couldn't believe what I was seeing! My dick could, though, and it stood to attention, pushing against the material of my jeans so hard it almost hurt. I couldn't move my eyes as Kristen teased

Rachel's pussy with her fingers, playing around until she found Rachel's sweet

CHRIST(EN) ALMIGHTY!

Dear *Mayfair*,

Well, I don't know how you do it, but you've unearthed another clutch of stunning newcomers for the first issue of volume 51 (I can't believe that when I first started buying *Mayfair* it was in the early 20s!). You opened with a very cute redhead in Mia, and then things just got better and better. Christen is a total babe – quite possibly the find of the year, and it's only issue 1! From the very first shot of her, coyly looking over her shoulder whilst giving us a view of her peachy arse, to the picture on

page 37, with her gorgeous pussy on proud display, she had me completely hooked!

And then, as if that weren't enough, we had Natalia showing off her tasty buns in the kitchen, and Megan, replete in her frilly red and black lingerie. Throw in *Mayfair* faves like Charley and Penny and, well – all in all a cracking issue to kick the year off with. Let's see how you manage to follow it up over the next few months! Peter, Roehampton.

spot and making her moan and squirm around.

Kristen moved up the bed and Rachel pulled my wife to her, licking her musky juices off Kristen's lips. I watched their tongues touch and lap at each other's mouths softly, their eyes closed. As their hands massaged each other's tits, rubbing and pinching bullet-like nipples and groping the fleshy mounds, I undid my fly and released my throbbing weapon, rubbing my hand along the erect shaft and aching helmet.

Then, quick as a flash, Kristen was on top of Rachel, pushing her pelvic bone against her lover's juicy pink pussy. With their neatly trimmed bushes rubbing together and their buttocks squeezed tightly, they thrust their hips at each other, grinding

“AS THEIR HANDS MASSAGES EACH OTHER'S TITS I UNIDID MY FLY AND RELEASED MY THROBBING WEAPON, RUBBING MY HAND ALONG THE SHAFT.”

their pussies harder as they became more aroused.

As I watched, quietly pumping my member, Kristen sucked her fingers then trailed them down Rachel's body till she reached her fanny. Parting her legs, Kristen buried two fingers into her friend's slippery pussy, pushing them in as far as they would go.

Arching her back, Rachel groaning softly as my wife's digits penetrated her, then, thrusting her slender hips madly, she

encouraged Kristen to finger her faster. Obliging, Kristen sawed in and out of her dripping cunt as she leant forward and took one of Rachel's stiff nipples into her mouth, sucking and licking it to a chorus of 'ooh's and 'aah's. But when Kristen used her teeth, lightly scraping the little nub, Rachel let out a yelp and her body stiffened in orgasm.

Secretly witnessing two beautiful women in such ecstasy was too much and I wanked away furiously, trying not to come too quickly. As Rachel came down from her climax, Kristen lay back on the bed, legs splayed, ready for her lover to “return the favour”. Smiling broadly, Rachel crawled between my wife's thighs and buried her face in her fanny. Kristen giggled, so Rachel finger-fucked her until she began groaning, at which point our guest returned to licking her swollen slit. Kristen's body shuddered as Rachel brought her to climax, sucking Kristen's juices loudly as they dripped out of her spasming pussy, which was the hottest thing I'd ever seen.

I had to concentrate on not spurting as my wife clambered onto Rachel's face so that they could sixty-nine. They were completely into it, their slender bodies pumping and grinding into one another's faces. Muffled groans filled the room and the musky scent of pussy juice wafted to me where I lurked in the doorway.

After what seemed like a wonderful eternity, they both climaxed, their bodies shuddering as they got caught up in blissful orgasm. When they were done they rolled away from each other to catch their breath, with their soaking pink pussies facing me. This was way too much for me and, still trying to keep as silent as possible, I came, spraying jizz all over the wall and carpet before sneaking off to the bathroom. Imagine trying to explain those stains to the wife!

Liam, Crawley.

NYMPHOMANIAC CONFESSIONS

CAST: Alexis Texas, Megan Coxxx, Jenna Haze, Samantha Bentley, Brooklyn Lee, Tori Black, Aleska Diamond, Lexi Belle, Ruth Medina, Kristina Rose.

If that looks like a suspiciously impressive cast list for Harmony to have assembled for one flick you're kind of right - this is actually a compilation of some of the standout scenes from their Nymphomaniac titles, in which big-named stars get up to all sorts of no good in order to demonstrate just how wanton their carnal cravings are. Still, there aren't likely to be too many people out there who've got - or even seen - all the eight scenes on offer here (that's right, 8. The film clocks in at a near-DVD-busting 3 hours 52 minutes) and, well, they are a very strong collection!

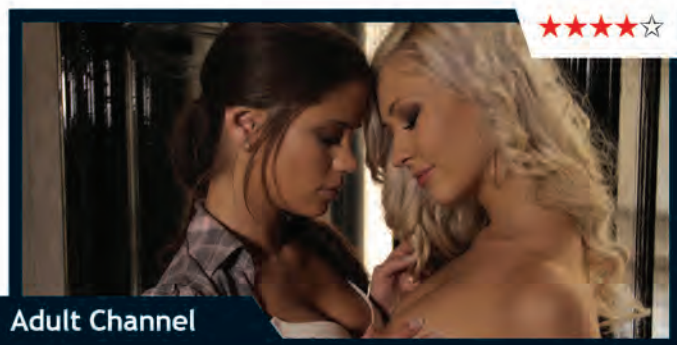

Tremendously-tushed Alexis gets the ball rolling, and while her scene is certainly a cracker, with plenty of reverse cowgirl along the way, it does little to prepare you for what's to come later, highlights

of which include a frantic double-dicking for the lovely Tori Black in which her arse gets a real workout, and a possibly even filthier DPing for anal adventuress Jenna Haze. The one lesbo scene features Sam Bentley and is, therefore no slouch either!

Adult Channel

BRIDES

CAST: Trasey Lindsey, Caprice, Iwia, Lola, Valentina Nappi, Cayenne Klein, Tina Blade.

We don't doubt that for most girls there's something extra exciting about trying on your wedding dress for the first time, but for Trasey, who's having her outfit made by Caprice, there's an extra thrill thrown in on top - a lesbian bunk-up! Once she's got her gown on the girls don't waste much time in getting it off again, and set about poking fingers and tongues into each other in what proves to be a suitably trouser-tenting opener.

Iwia, racked by doubts, does a runner from her own wedding - only for her groom to chase after her and, by way of reconciliation, poke his knob down her throat. What follows is a touching make-up shag, thankfully out of sight of the officiating priest.

Other highlights include a white-bodied boning for lovely blonde Lola, and a venture round the back for Valentina's lucky secret beau. With a solid threesome to round things off, anyone with a hard spot for weddings and lingerie will be well served by this offering.

Wicked

ASA GOES TO HELL

CAST: Asa Akira, Aiden Ashley.

No doubt there are plenty of God-fearing types who will feel this exactly the fate in store for the comely Miss Akira, given the spectacularly filthy acts she's engaged in on screen these last few years, but I'd like to think that any heaven worth the name would have room for babes as horny as this in it!

Ahem, anyway, poor Asa finds herself walking the streets alone one night, looking a bit baffled by everything, when she chances upon a couple making out in a side alley. Clearly a slave to her own instincts, she instantly strips off completely and frigs herself silly, the amorous couple seemingly totally unaware just a few feet away. I'd like to think that if Asa was having a wank a few feet away from me I'd probably

notice it, but then I do have a good eye for that sort of thing.

Her orgasmic odyssey continues courtesy of Aiden, the pair lezzing up heroically in a rather demonic looking throne room, all the while being watched approvingly by a masked demon of some sort. And me.

Blowies for three studs clad entirely in black latex ensure that Asa's downward spiral continues apace and then it's time for an anal drilling courtesy of a rather smiley satanic type. Not that I can blame him for looking so chuffed. Her damnation is complete, though, when a couple of black studs double team her and squirt (not just their own) cream over her. Bizarre, but good dirty fun nonetheless!

"I've got a sweet tooth alright, but yes, I'd say eating choccies isn't my main vice, if you know what I mean!"

Hmm, we think we just might!

A married couple is lying in bed one night. The wife is curled up, ready to go to sleep, and the husband turns his bed lamp on to read a book. As he's reading, he periodically reaches over to his wife and fondles her special bits. He does this a few times, but

only for a very short interval before returning

to read his book.

The wife gradually becomes more and more aroused and, assuming that her husband is seeking some encouragement before going further, gets up and starts stripping in front of him.

The husband is confused and asks, "Why are you taking off your clothes?"

His wife replies, "You were rubbing my pussy. I thought it was foreplay."

The husband says, "No, not at all. I was just wetting my fingers so I could turn the pages in my book."

Several minutes later he comes running back and says, "Mummy, I saw men with dingers a lot bigger than Daddy's!"

The mum says, "the bigger they are, the dumber they are." So he goes back to play.

A blonde woman is walking down the street, with her blouse open. A policeman spies her and thinks, 'Boy, my eyes must be going, it looks just like that woman's right breast is hanging out!'

A woman takes her little boy to visit their dead relatives' gravestones at a cemetery. The little boy has never been to a cemetery before. The woman first takes her son her grandmother Annie's gravestone. The initials under Annie's name say R.I.P. The little boy asks, "Mummy, what does R.I.P. stand for?"

The woman replies, "It stands for 'Rest in Peace.' That means we wish for Grandma Annie's spirit to find peace in the afterlife."

Then, they come across the gravestone of the woman's uncle Joe. The little boy asks, "Mummy, what does R.I.H. stand for?" pointing to the initials printed under Uncle Joe's name.

The woman simply replies, "We really didn't like Uncle Joe."

A chap walks into a bar with his pet monkey. He orders a drink and while he's drinking it the monkey jumps around all over the place, grabs some olives off the bar and eats them, then grabs some limes and eats them, then jumps on the pool table, grabs the cue ball, sticks it in his mouth and swallows it whole.

The bartender screams at the guy, "Did you see what your monkey just did? He just ate the cue ball off my pool table, whole!"

"Yeah, that doesn't surprise me," replied the patron. "He eats everything in sight, the little bastard. I'll pay for the cue ball and stuff."

Two weeks later he's in the bar again, and he has his monkey with him. He orders a drink and the monkey starts running around the bar again. While the man is drinking his drink, the monkey finds a cherry on the bar. He grabs it, sticks it up his arse, pulls it out, and eats it.

The bartender is disgusted. "Did you see what your monkey did now?", he asks.

"Now what?", responds the patron.

"Well, he stuck a cherry up his arse, then pulled it out and ate it!" says the barman.

"Yeah, that doesn't surprise me," replied the patron. "He still eats everything in sight, but ever since he ate that cue ball he measures everything first!"

It's always a treat to welcome a newbie to the pages of Mayfair – especially when she's as delectable as Katie here and decked out in a stunning suspender belt combo! Those sussies look amazing, although they can't be very comfortable to walk in...

That sounds exactly like our sort of hike!

Talk about a pretty Penny – although what with us being so nice at *Mayfair*, we thought we'd throw in a pretty Dani as well – and it turns out this dream team pairing of two of the loveliest ladies to grace the mag in recent times isn't just the answer to our prayers...

"True!" grins Penny. "One of the reasons I got into modelling in the first place was that it's give me the chance to work with my favourite models, and Dani's always been one of my dream shoots! Now you'll have to excuse me – I was taught not to talk with my mouth full..."

PENNY & DANI

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Despite being 23, I've only lived away from home for a few months. I decided not to move out earlier so I could work and save money for a deposit on my own place and, with a bit of sacrifice, I managed it.

The house I bought was in good shape, if a bit scruffy, but the main thing that

needed sorting was the garden. Now, I'm not lazy, but it would've taken me literally months to get it done by myself - and my family certainly weren't about to offer to help - so I decided to hire someone to come and do it for me. I opted for a local company that my dad recommended and, as such, I was expecting some old bloke

around his age. So I did a bit of a double take when I saw the guy they'd sent - tall, cute and quite young, not the hairy-arse type I'd been expecting. He was Luke, the son of my dad's mate. Talk about lucking out!

As I showed him to the garden, I walked a bit ahead of him so he could get a good look at my arse - I knew that the shorts I was wearing really showed it off nicely. As we discussed what he could do with the overgrown mess out the back of my house, Luke and I made some serious eye contact and it was obvious that there was a spark between us. I offered him a coffee before he started work and he accepted, grinning broadly and following me back into the kitchen. While we waited for the kettle to boil, we made small talk but, to be honest, I don't think either of us were paying attention to the content at all - we were just flirting outrageously with each other. Finally,

**LUKE'S HANDS
WERE ALL OVER ME,
RUBBING MY CLIT,
FINGERS DIPPING
INSIDE MY SNATCH.**

the water boiled and I turned to sort the drinks out. Which is when I felt his hands on my hips and heard him breathe into my ear, "Tell me if I've misread the signals here..." before he gently kissed my neck. I let out a sigh and melted back into his arms. He turned me around and kissed me again, on the lips this time, gently at first, but then more urgently. I kissed back, pressing my body against his. He was turning me on so much that I felt light-headed and the throbbing between my legs was turning into an ache for his dick.

He obviously sensed this and pushed his hard on into me, grinding against me as he groped my bum. I reached down to feel his bulge for myself and was pleasantly surprised! His size just made me even more desperate to have him inside me and I wrapped one leg around him, spreading my legs so I could feel him against my clit, despite the material separating our skin.

Luke lifted my top up, revealing my braless boobs. They're small - I couldn't give a bloke a proper tit-wank - but he seemed to like them, sucking them into

his mouth and nibbling my long nipples. This drove me to distraction and I had to take charge! I pushed my shorts down to my ankles and stepped out of them, my little triangle of pubes ruffled, which he also appeared to be taken with - as soon as my shorts were off, Luke's hand was all over me, rubbing my clit, fingers dipping inside my moist snatch.

**Name: ELLIE
Age: 23

Then, suddenly and without warning, Luke lifted me up so I was sat on the kitchen worktop. Pushing his jeans down to reveal his beautifully hard (and big) cock, he wanked himself a few times, getting to full rigidity, then ran his hand over my snatch to make sure I was wet enough for him. Obviously, I was!

I felt my juices run down as he pushed his hips between my thighs, spreading my legs wide. My breath caught in my throat as he sank his prick into my aching wet pussy – and as he filled my hole, I let out a low howl. He thrust in slowly until I felt him hit my cervix, his pubes tickling my clit and his balls touching my arse, and it was at that point he began to properly fuck me.

He kept my legs spread as he thrust into me, so I grabbed tight onto his muscular arms to keep myself steady. As his prick plunged in and out of my twat, his hands grabbed me boobs and his tongue explored my mouth, stopping me from crying out. It felt amazing – I knew he'd be a good shag!

When he started thumbing my clit, my body started to tremble. I could feel my pussy muscles tightening around his shaft, and I couldn't have stopped them if I'd wanted to. I love the feeling of losing control – like my body's deciding all that matters is pleasure. Every thrust of his prick felt more intense and it wasn't long before I was biting hard on my lip, trying not to scream as an orgasm pulsed through me. He kept pumping away mercilessly until I'd finished coming, every muscle in my body tense and shaking, thrilling and exhausted.

When I'd finally come down, Luke pulled his still-hard meat from my quivering quim and told me to bend over the worktop. I did as he asked and as soon as my bum was in the air, he was all over it, feeling my peachy cheeks before pulling them apart so he could get to my soaking cunt. He pushed his girthy rod inside me and immediately began sawing in and out fast and hard – going at it like a jackhammer – his balls banging up against my clit.

He reached around and grabbed hold of my tits, using them as leverage to bang into me with all his might. I heard myself moaning and groaning, sure that I would come again as Luke fucked me, grunting with every thrust.

I was right, and it didn't take long for the intensity to build up within me, soon becoming almost too much to bear as waves of pleasure washed over me, my pussy muscles once again clenching around his dick. It lasted longer this time and I thrashed around

“I COULD FEEL MY PUSSY MUSCLES TIGHTENING AROUND HIS SHAFT, AND COULDN'T HAVE STOPPED THEM...”

beneath him as he lay his torso down on top of me, pinning me to the side as he held my hips and pummeled into my tight twat.

Although I wanted Luke to string out the ecstasy for as long as he could, I also really wanted to feel him come – and it was a good job I did, as he suddenly exploded, pumping huge amounts of hot spunk deep inside me, my climaxing pussy milking it out of his balls. He thrust a few more times before he relaxed, both of us completely satisfied and spent.

I thought it would be awkward afterwards, but it wasn't in the least – he cracked a few corny jokes about sowing his seed and soon excused himself before getting on with the gardening. And fair play, he did an amazing job, too! Naturally I've left him a glowing review online and I know I'll be getting him back in again before long when my garden – not to mention my pussy – needs some more attention!

“I BEGAN WANKING HIM, GENTLY AND SLOWLY TO BEGIN WITH, AND FLICKING MY TONGUE OVER HIS COCK.”

I don't know if many of your female readers have tried it, but I thought I'd write in and tell you about my kink for being blindfolded during sex, which turns me on like nothing else and which I and which I can't recommend highly enough.

It started with Steve, my first serious boyfriend. He was a lot older than me and, right from the beginning, he took on the role of instructor; he kind of initiated me into different ways of making love and experiencing sensuality.

One evening, not long after we started going out together, I was round at Steve's place and we started making out as soon as I walked into the living room – I was young then, after all! That evening, we sank into the sofa and started kissing and feeling each other through our clothes. Then Steve

got up and led me to his bedroom. I took my skirt off and undid my top, discarding the skirt and the belt sash of the top onto the armchair in the corner, and flopped down on the bed, waiting to be fucked. As much as I wanted to just grab hold of him and ride him senseless, Steve wanted to take things more slowly, and he picked up the sash I'd thrown aside and asked me if I felt like trying something a little different. I was so hot for this guy, and was up for anything he wanted to do so I said: "sure."

He took my sash and blindfolded me with it, gently tying it at the back of my head, careful not to pull my hair but also careful to make sure it wouldn't fall off and that I couldn't see through or under it. I was a little nervous at first but he assured me I'd enjoy it, so I relaxed and I let him take control.

I heard him go to the foot of the bed, from where he pulled my knickers off and started licking my stocking tops and tantalisingly kissing the tops of my thighs. This just made my clit ache more, and I had to plead with him to lick me out, which he eventually did, lapping at my cunt with long, deep, slow strokes of his tongue.

I can't explain how exciting it was for me; in those days, I was still relatively inexperienced and to have this older man work on my most private areas was better than anything I'd dreamed of.

I asked him when he was going to fuck me but he said nothing. Then he slid two fingers in my dripping and eager cunt, focusing on licking my clit until I started to shiver with pleasure. He'd obviously decided to tease me that evening, to get

HE PULLED MY KNICKERS OFF AND STARTED LICKING MY STOCKING TOPS AND KISSING THE TOPS OF MY THIGHS.

me as horny and desperate as he could, because he stopped licking me out after a while and got off the bed. Telling me to lie still, I felt his damp fingers dancing around my lips and enter my mouth. He told me to suck his fingers and asked: "Have you ever tasted your own pussy before?"

When he took his fingers out again, I replied that I hadn't, which was technically true at the time, though I'd done plenty of frigging on my own. He asked me whether I liked the taste, and I had to be honest, I wasn't quite sure. Tantalisingly, he said I'd learn to love it in time.

Then he turned my head to one side and I felt the hot, wet softness of the end of his penis, circling my lips as his fingers had done moments before, entering my mouth and withdrawing almost immediately. I felt him climb on the bed and bend over me in a sixty-nine position. It was so exciting and so dirty, I felt myself coming but he must

"Close your eyes," I whispered, and I tied the scarf around his head, blindfolding him. "Can you see anything?" I checked, but he couldn't. I turned the television off and knelt up on the sofa, straddling him. I started off by running the tip of my tongue over his lips and all around his ear, nuzzling on his earlobe, then I told him to unbutton my blouse, and I guided his hands to the top button. Tony went along with it, smiling silently, undoing the buttons all the way down. I guided his hands inside my top and around my waist, and I smothered his face with my cleavage, wobbling it as his tongue flailed around trying to delve into my bra and find a nipple to feast on. When I let him find one, he sucked and gently chewed on it, and I rubbed my panty-covered crotch on the stiff bulge in his trousers. I kissed him again and reached down to unzip him. I couldn't be as gentle or as subtle as Steve had been with me the first time he'd used a blindfold on me – I was too keen to fuck Tony, but I did tease him a little. I dismounted him and knelt on the floor in between his legs to take his cock out of his boxers. I left his erection in the air for a while, blowing on it from the base to the tip before running up its length with my tongue, sucking on the end and clasping its base.

"Put it in," he panted but I continued to toy with it, sucking it on each side, up and down, and nibbling at his balls. He tried to take himself in hand, but I told him to let me do it, and I wanked him harder for a moment. But only for a moment. I picked up the tie that he'd taken off when he arrived and wrapped it around the base of his cock a few times, firmly but not too tight. The end of his cock was turning a purple colour but when I asked whether it hurt or was uncomfortable, he said no, it felt sensitive but sexy. With that I began wanking him again, but gently and slowly to begin with, and flicked my tongue over his cock.

"Are you trying to make me come?" he gasped this time, but I didn't want him to come like that, not just yet, and definitely not before I did, so I stopped tossing him off. Sensing that he wouldn't or couldn't last much longer, I got up, took off my knickers and straddled him again but this time I guided his cock into my dripping gash. Although I love being blindfolded, Tony did look gorgeous under me, sitting there blind to what I was doing, his hair bursting out around the scarf, his mouth wide open, on the verge of coming. It was the extra frisson I needed to take me almost immediately to orgasm, riding his still engorged cock. Tony cried out louder than normal in an intense orgasm just as I was coming down from mine, and

I knew he had enjoyed my favourite sexy game.

Now we often take turns to be blindfolded and teased and, although nothing quite compares to that first time with Steve, I consider myself to be a very lucky lady to have someone appreciate and indulge my taste in kinks.

have heard because he stopped licking me and said, "I don't want you to come quite so soon."

I didn't feel anything at all just then, but I did hear him undress and leave the room. Then I heard these noises but I couldn't identify what they were until I felt his hands caress my arse, sleekly rubbing in some oil. He was kneading the massage oil in, in a strong, circular motion and his hands began wandering into the crack of my arse and down to my open, wet pussy.

That was it, my 19-year-old cunt had taken all the teasing it could take and I came explosively.

Now I am a few years older and with a new boyfriend, Tony, and I don't come so easily. Right from the start, I sensed his confidence and self-assurance but, more than that, I knew I could trust him. I knew

able to play my favourite games with him and that I would experience the right kind of thrill. I got around to playing the blindfold game one evening a few weeks into our relationship, when he was around at my place. I thought I'd give him the treatment first, to see how he liked it. I remember we'd eaten dinner and we were sitting down watching some documentary on the television when I looked over at him and thought to myself how much I fancied him, and how comfortable I was with him. I got up, telling him I was going to the bathroom, and went to the bedroom instead. I've got quite a collection of nice silk scarves, and I picked out a green and black one and took it downstairs. Tony was watching TV when I sat down on his lap, hiding the scarf.

"Do you trust me?" I asked.

"That depends," he teased.

Yowser – it's not often we get a pair of sisters appearing together, let alone twins, but that's exactly what we've pulled off here (among other things)! Indian/Irish babes Preeti and Priya (left and right respectively – like Ant and Dec!) have, rather unsurprisingly, built up a whopping fanbase on Twitter, and we're delighted to be welcoming them to *Mayfair* at last! It doesn't really get much better, does it?

DANI

Age: 30 Vital Stats: 34D-24-36 5'7"
Photographer: Twistys

We're not sure what the score is with this set featuring the delectable Dani Daniels. Does the girl herself know what's going on?

"I think I'm meant to be some sort of Snow Queen, but to be honest I just like the hat, so that's why I'm doing it!"

Oh, a Snow Queen? So really we probably shouldn't be featuring this set in an issue that comes out in July, should we?

"Well given how cruddy the summer's been so far, I don't think it'd be too out of place! And besides, it'd be cruel to make your readers wait another five months to see this, wouldn't it?"

Two very fine points. Erm, in fact four very fine points!

STRETCH MY TIGHT LITTLE ARSE!
0909 866 0097

Allow us to introduce the first in a double bill of UK hotties who are making their *Mayfair* debuts this issue! And what a blinder she is too, with her cascading platinum locks, gorgeous bod and the sort of inviting-looking pink slit we could happily gaze at for hours on end!

"I don't mind people gazing at my slit!" she grins, "after all, I am posing in a girlie mag! But to be honest I much prefer people licking it till it's dripping wet and then... well, you know!"

Yes, we think we get the drift. Certainly sounds like a plan to us!

The office is often a-buzz with lively debate about what constitutes the greatest arse in the business, and while there are plenty of us who maintain it's probably the Ed (*Hey! – Ed.*), most of the serious money's on Jenny Laird's magnificently rounded rump! No wonder she bagged so many votes in our poll – and as a special reward here are some splendid new pics of it – along with the rest of her – to show you just what we mean!

Once every blue moon we like to rummage around in our big room of props from the 70s and dig out the wicker chair for an airing. After all, more than anything else it epitomises the glamour mags of the era – so much so that a certain generation of readers almost get that special tingling feeling whenever they see a survivor of the Great Wicker Chair Cull of 1979. And for younger readers, hopefully these pictures of the luscious Marie perched on our one will give you a glimpse into the past and help establish the neural pathways that result in a semi every time you see a chair like this!
